### Information about the Contractors State License Board (CSLB)

CSLB is the state consumer protection agency that licenses and regulates construction contractors. Contact CSLB for information regarding the licensed contractor you are considering, including information about disclosable complaints, disciplinary actions and civil judgements that are reported to CSLB.

Use only licensed contractors. If you file a complaint against a licensed contractor within the legal deadline (usually 4 years), CSLB has the authority to investigate the claim. If you use an unlicensed contractor, CSLB may not be able to help you to resolve your complaint. Your only remedy may be in civil court, and you may be liable for damages arising out of any injuries to the unlicensed contractor or their employees.

#### For more information:

Visit CSLB's web site at [www.cslb.ca.gov](http://www.cslb.ca.gov) or call CSLB at 800-321-2752. Or you may write to CSLB at CSLB P.O. Box 26000, Sacramento, Ca 95826.
